# View the level of your tanks anywhere, anytime.

With the Nee-Vo app you can

✔ Track tank levels in real time
✔ Customize level alerts
✔ Request a refill
✔ Consult usage history
✔ Contact us at the press of a button

[App Store] [Google Play]

How to Download & Install Nee-Vo

1. Open the **App Store** or **Google Play Store** on your smartphone and search for **Nee-Vo**. You can also find the Nee-Vo app by searching for the publisher, "Otodata".

2. Download and open the app.

3. Create your account. (Name, email & password)

4. Add your first unit by selecting the plus button in the bottom right corner of your screen and enter the Activation code provided.

5. Congratulations! Set-up is complete. You can now view the level of your tank in real-time.

Personalize Your Experience

Select the gear icon to change the name of your tank, set notifications, share access to your tank's data with other users and more.
